

*Superfun*

The future of yachting.

# SUPERFUN

is a 40m (132ft) classical motor yacht based on the renowned Feadship design, featuring spacious sun deck arrangements, modern yet homey interior, and an immaculate white hull. Built by RUSSATO in Italy, Superfun accommodates up to ten guests in five cabins, offering luxurious as well as relaxed living.

Nine international crew members provide exemplary service. All are well trained to the highest safety standards and welcome you on board to ensure unforgettable moments during your vacation.

Superfun is a full displacement yacht with superb stability behaviour due to her draft and installed stabilizer equipment. With a range of up to 3,000 nm (nautical miles), she is extremely smooth and quiet underway and has a proven track record as a fully equipped, tried and tested world cruiser.

## LET THE ADVENTURE BEGIN

# SKY DECK

A comfortable space for relaxing, and an open gathering space for enjoying beautiful sunsets. Featuring a lounging area, sunbeds and two semi-circular tables, the sky deck is suitable for breakfast, lunch or dinner. Watch our chef prepare fresh roasted specialties on a dedicated outdoor barbecue station. Translucent wind panels protect the sky deck from the airstream, and the huge lounge aft allows for uninterrupted views over the stern.
